JOHN MARION HOUSE  
Castroville, Medina County, Texas.

Present Owner: St. Louis Catholic Church, Castroville, Texas.

Date of Erection: 1850-

Architect: Unknown

Builder: John Marion

Present Condition: Good

Number of Stories: One and one-half

Materials of Construction: Limestone, cypress and oak.

Other Existing Records: None

Additional Data:

This house, built in the early 1850's by John Marion is interesting architecturally but has no historical value.

The house is one and one-half stories, built of native limestone, and has a high pitched roof. It has six rooms, three porches, and is "L" shaped in plan; from its appearance it looks as though parts of it were built at different times.

This information was contributed by Louis Tous of Castroville, Texas.
